Backpacks Please!!! Please! On some of our trips we will be doing a lot of touring. Heavy Coolers and bags are difficult for children to lug around. Please consider a backpack...and not too heavy please.

Park Rules

1. Children must remain in the park until noon unless parents pick them up earlier or send a note allowing them to leave earlier. If they are to be picked up by someone other than a parent, park personnel must be notified.

2. Children must be picked up by 12 noon. If they are attending the Afternoon at the Lake, they are to come to the lake at 1 p.m. and check in with the park instructors. They are to be picked up by 3 pm. They may sign up for swim lessons during this time. From 12 to 1 is lunch hour for Park Personnel. Please be fair to them and make sure you child is picked up on time!!!

3. In case of inclement weather, please pick up your child immediately. Park will not be held on rainy days. Call the hotline (586- 3993) or check our website (www.rockbororec.net) if you are in doubt. We do not have adequate shelter in case of bad weather. Please pick up your child if it begins to rain.

4. The morning program and afternoon at the Lake Programs will be held on trip days, except where noted.

5. Children must be signed up for trips and all monies for trips turned in the day before the trip. Park Personnel will not accept money the day of the trip. If special circumstances prevented you from signing up, call Mrs. Johnson at 366-6465 the night before to make arrangements. Trip space is on a first come first serve basis. These trips are run for the children, and they will get first priority for bus seats. We will take only children registered in the park or lake program on these trips .

Monies will be collected at 11:45. Please do not come into the park to sign up for a trip before that time. You may send money in with your child and we will lock it up until sign-up time. Make checks payable to "Rockaway Borough Rec. Field Trips."

We are insisting on these procedures to make sure that our full attention is given to the children in the program. We are trying to minimize outside distractions.

6 No children will be allowed to leave the park alone to go to the store. No children will be allowed to cross Main Street during the program. If you send snacks, please make sure that the children have a sealed plastic bag for waste. This is to eliminate the threat of yellow jackets and other insects attracted to garbage, especially garbage containing sugar.

7. We expect children to have fun , obey the rules, be well behaved and respect the rights of other children. If children are behavior problems or refuse to follow the rules as set forth here, parents will be notified. Continued misbehavior will result in removal from the program.

Our kids receive praise wherever we go. They are complimented on their good manners and their behavior. Even the Bus Driver's love to drive our trips because the Rockaway kids are well behaved and enjoyable. This is definitely a tradition we want to encourage!!
